

Tumble dryer T5350

Features and benefits

- · High productivity 2 full loads per hour
- · Low energy consumption for optimal efficiency
- · Large door opening for easy loading and unloading
- Large selfcleaning lint screen for easy maintenance
- · Reversable door hanging for a convenient laundry flow
- · Easy access to vital parts from front and rear for simple servicing
- · With Compass Pro program control
 - Large display and one control knob for easy program selection
 - Language selection
 - Quick selection and option buttons for the most frequently used drying programs and options
 - Drying program packages optimized for Economy, Care and Time and option buttons for selection of dryness
 - Service program for adjustment of parameters
 - USB connection
- The coin version with Ecopower to avoid over drying of the garments and get a lower energy consumption

Main options

- Stainless steel front
- Stainless steel drum
- · Residual Moisture Control RMC
- Reversing drum
- · Payment: coinmeter with Ecopower, chipcard reader, CP connection
- Special versions (dryer + option package): Lagoon[®] variant includes stainless steel front, stainless steel drum, RMC and reversing drum
- · Fresh air intake
- · Supply disconnector
- · CMIS (Certus Management Information System)
