

Tumble dryer

Features and benefits

- Axial airflow and tight construction gives low energy consumption
- High productivity 2 full loads per hour
- · Large door opening for easy loading and unloading
- Easy and ergonomic access to the lint screen
- Excellent water evaporation efficiency per kWh
- The coin version with Ecopower to avoid over drying of the garments and get a lower energy consumption
- With Compass Pro program control
 - Large and clear display with control knob for easy program selection
 - Easy access with user-friendly interface
 - Language selection
 - Drying program packages optimized for Economy, Care and Time
 - Service program for adjustment of parameters
 - USB connection

Main options

- Stainless steel front
- Stainless steel drum
- Residual Moisture Control RMC
- Connection to booking-/payment- system or coin meter
- · Reversing drum
- Emergency stop button
- · Supply disconnector
- · Frequency controlled motor

Accessories

- · Fresh air intake
- Exhaust on top
- · Insert for drying special equipment
