

Pullman barrier washer extractors

WPB4700H, WPB4900H, WPB41100H

Features and benefits

- Two compartment inner drum separated by a Pullman partition for the best ergonomics and mechanical action on the market
- · Automatic inner drum positioning in loading or unloading position
- · Automatic locking and unlocking of outer drum doors
- · Largest doors on the market
- Unloading by gravity, the easiest and fastest of the market
- · End of cycle sound and visual alarm for optimum productivity
- · Intuitive programming control panel
 - 8 colour industrial touch screen
 - Smart card reader & writer
 - Electrolux unfolding menus
 - Choice of 14 languages
- · Pneumatic suspensions for minimum vibrations
- Frequency control motor and Poly V belt for precise, consistent and silent rotation speeds
- 5 compartment soap box for manual supply or connection to automatic liquid system

Main options

- Colour display on unloading side for best process control and productivity
- · IS Integrated Saving
- · Integrated pH meter for a better performing traceability
- Automatic opening of inner drum doors at the end of the washing cycle
- · Titration valve for bath sampling
- · Stainless steel cover panels
- Clean room application
- · Opening of loading outer door at 180° for semi automatic loading.
- · Third water inlet
- · Second drain valve for water recycling
