

Washer extractor QuickWash QWC

Features and benefits

- · Control knob for simple program selection and start
- · Large, clear display
- · AS Automatic Savings:
 - The machine weighs the linen and adjusts the amount of water and energy according to the load. This leads to considerable savings in case the machine is not fully loaded
- Four compartment detergent box for manual dosing of powder or liquid detergent
- · High extraction force for efficient dewatering
- · Panels and frame made from galvanized steel
- · Inner and outer drums made from stainless steel
- · Powder coated black front panel, side panels and top cover
- Strong door and hinges. Easy-grip, ergonomic door handle which makes the door easy to open and close
- Drain pump
- · Frequency-controlled motor with no carbon or brushes
- Door seal in the door, does not wear when the machine is loaded and unloaded

Images shown are a representation of the product only and variations may occur.

Main options

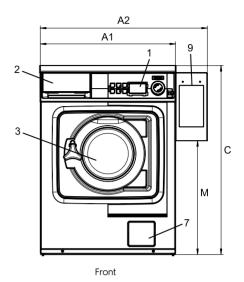

- Stacking kit to install tumble dryer QuickDry QDC on top to save space
- Plinths for raising the machine to a comfortable height (height 100 mm when installed with a tumble dryer, or 290 mm)
- · Connecting hoses
